

## YET MORE HYMNS! 'JUST FOR FUN' QUIZ

Another 'lockdown', another hymn quiz – although you've previously found many of the *really* well known hymns and song we sing. Here are another 25 including Advent hymns, but no Christmas Carols which will follow! Can you identify them from the initial letters of the words forming their first line? e.g **ATNOJ** is '**A**t **T**he **N**ame **O**f **J**esus'  
If you get stuck why not 'phone a friend'. Sing along, and let me know if, in due course, you need the answers! All are in *Hymns and Psalms*.
